

NECRA Membership 2020

Dear Member,

Your NECRA membership is due for renewal from 1st January 2020 and this year the cost will be £20.

NECRA is a no profit organisation and all your fees are put back into the provision for our events. It was agreed at our AGM that the fee would be increased slightly this coming year to enable us to provide more and better: prizes, burgees, stickers, publications, drinks and catering. With the discounts we are getting from the participating Marinas you will see that attending just 2 events to recoup your membership fee.

Hartlepool Marina continues to generously support us with free mooring for our events, discounts for mooring and services for our members and sponsorship towards our social events.

2019 season

It has been an excellent 2019 season with the largest turnout of boats for more than 10 years and more involvement from all clubs. There has also been interest from clubs who as yet are not within our area. Add to that our starting a cruising section and the future looks as if there will be more and more going on.

The Winter Series

The Winter Series is in full swing with 13 boats taking part. It is one of the best supported series of the whole year and enables us to blow the cobwebs away before the start of the summers racing.

Winter Series racers please note that your membership will need to be renewed in order for the results of your next 4 races to be counted.

Our organisation enables:

- Long distance racing
- Inter club racing and cooperation
- Inter club social events
- Access to other NE clubs
- Discounted moorings
- Sharing of information and expertise

Your membership not only gives you excellent value but enables us to improve the provision at our events.

You can renew your membership by filling in the membership form on the NECRA website electronically or simply print the form and post it to the treasurer with your payment.

If you have any problems please contact your club representative or email: honsec@necra.co.uk

Enjoy the festive season and roll on next seasons racing!
