

THYC Whitby to Hartlepool Race

Sunday 15th June 2025

SAILING INSTRUCTIONS

1. Rules

The event will be governed by RRS 2024-2025, the prescriptions of the RYA, the IRPCS, THYC, NECRA rules and these Sailing Instructions.

2. Risk Statement

Rule 4 of the ISAF Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone." Sailing is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event.
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore.
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions.
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities.
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- g) For offshore races: They are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew in sufficient number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
- h) Their boat is adequately insured, with cover of at least £3 million against third party claims, which must include racing.

The safety of a boat and her entire management, including insurance, shall be the sole responsibility of the owner/person in charge, who must ensure that the boat and crew are adequate to face the conditions that may arise in the course of the race.

3. Disclaimer

Neither these Sailing Instructions nor any inspection of the boat limits or reduces the absolute responsibility of the owner/person in charge for the crew, the boat and her management. Every owner/person in charge warrants the suitability of the boat for the race or races and that the boat contains at least the minimum safety equipment specified by NERR/NECRA. By participating in this event each competitor agrees to release the race organizers from any and all liability associated with their participation in this event to the fullest extent permitted by law.

4. Conditions of Entry

- a) Boats must be registered with NECRA prior to the start of this event.
- b) Each boat shall hold a valid NERR rating certificate.

- f) ISAF Cat 4. Life-rafts are strongly recommended.
- g) Boats may be inspected before or after racing
